

REMARKS

The above Amendments and these Remarks are being submitted after issuance of the Notice of Allowability mailed September 22, 2006.

The claims have been amended to correct formal matters. The scope of the claims has not been changed. Specifically, the amendments correct typographical errors in claim 55.

Claim 55 was amended in Applicant's Response A dated August 7, 2006. Applicant deleted the term "group" and inserted "plurality" in its place. The insertion of "plurality" was inadvertently omitted in three instances. This Amendment is being submitted to correct that typographical error.

In view of the above, it is respectfully requested that the Amendments set forth above be entered.

No fee is believed due for this communication. However, the Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 501826 for any matter in connection with this amendment, including any fee for extension of time, which may be required.

Respectfully submitted,

Date: October 27, 2006
